

AMENDMENT

IN THE CLAIM

Please cancel Claims 1 to 2 and 4 to 7, without prejudice or disclaimer of the subject matter thereof. The original claim 3 is remained without any amend. Thereby, it is assured that the new claims are based on the original claims and thus no new matter is added.

LIST OF CLAIMS:

Claim 1-2. (Cancelled)

Claim 3. (Original) A voltage booster of a headlight for increasing a voltage of the headlight; the voltage booster being connected between a power supply and a headlight; the voltage booster comprising a high frequency circuit, a voltage boost circuit, a rectified circuit, and a high frequency control circuit;

wherein a DC current is supplied from the power supply end; then the current flows through two high frequency oscillators and then is boosted by boosting coils; then the current is rectified by the diode as DC current and then is outputted from an output end.

Claims 4 to 7 (Cancelled).
